

The Big Picture: The Constitution

Test your knowledge of the Constitution document and its original signers!

Drafted in secret by delegates to the Constitutional Convention during the summer of 1787, this four-page document, signed on September 17, 1787, established the government of the United States. The Constitution is now 221 years old. The document itself has been carefully preserved and revered over the years. Find five things wrong with the signers of the Constitution as pictured below.
